

# **THE FUTURE FOR JBLN 2012 & BEYOND....**

The Junior Baseball League of Nassau would like to thank our past and present sponsors who, without their generous support, JBLN would not be able to accomplish all that we have in our 23 years of existence.

As a none profit organization, JBLN continues to seek additional individual and corporate partnerships. Moving forward, we have a number of goals that we would like to accomplish. We have a few immediate objectives that we would like to realize within the next 18 months.

## **WE RESPECTFULLY ASK FOR YOUR ASSISTANCE TO ACHIEVE THE FOLLOWING:**

- **Primary Objectives to achieve over the next 18 Months (January 2013 – July 2014)**
  1. **Pay down the reaming debt of the league. This debt was incurred as a result of the league's continued field & facilities improvements (See page? for our financials).**
  2. **In order for JBLN to increase game play and practice time, we now see the need to light our Jr. /Sr. field. The lighting of this field will allow for our older boys to play a lot more baseball and practice more thus keeping them active and positively productive. This will include lighting the parking lot as well. Estimated Budget ...\$60,000.00.**
  3. **Renovation and upgrade of our existing concession stand and restroom facilities. Estimated Budget....\$25,000.00.**

- **Secondary Objectives to achieve over the next 5 Years.**

1. Upgrade the “Central Court Yard” area w/ Seating, Landscaping etc...  
\$20,000.00
2. Construct a new Major/Minor Field... Estimated Budget...  
\$150,000.00
3. Install 2 additional batting tunnels....  
\$8,000.00
4. Establishment of The JBLN Baseball Scholarship Fund, which will be used to assist our deserving players with funding toward high school or college abroad.
